Thanks for opening a ticket, Sam_RP. A member of staff will be with you shortly.
While you wait: what did you buy, and roughly when?

Sam_RP 2026-11-09 18:05 UTC
Hi, I bought the UK Fire Station MLO about an hour ago but it isn't showing in my Keymaster.

Tebex purchases usually appear in Keymaster within a few minutes. Make sure you are signed in to Keymaster with the same Cfx.re account you used at checkout.
Still missing? Staff have been notified.

Hi Sam, thanks for the ID. I can see the payment went through. Give me two minutes to check the Keymaster side.

Alex (Support) 2026-11-09 18:16 UTC
Found it: Tebex hadn't pushed the asset to your account. I've re-sent it. Can you refresh Keymaster > Granted assets?

Sam_RP 2026-11-09 18:19 UTC
It's there now, thank you!

Alex (Support) 2026-11-09 18:20 UTC
Perfect. Drop it in your resources folder and add "ensure" to your server.cfg. Our install guide is at glitchworks.uk/help/install-mlos-and-scripts/

Sam_RP 2026-11-09 18:22 UTC
Done and it loads in. Great station!
